REQUIREMENTS

Question: When is a Citizens Bond Oversight Committee required?

Answer: When a district passes a Prop 39 Bond. Measure E passed in June 2016.

Understanding the Role

Purpose of the Committee:

- To inform the public concerning the expenditure of bond proceeds.
- To promptly alert the public to any waste or improper expenditures of bond money.
- Issue annual reports of the results of the committee's activities and findings.

In order to carry out it's purpose, the Committee may:

- Receive and review copies of the district's annual independent financial and performance audits.
- Inspect school facilities & grounds.
- Review District efforts to maximize bond revenues through implementation of cost containment measures:
 - Professional fees
 - Site preparation
 - Joint-use of facilities
 - Design efficiencies
 - Reusable facilities plans

The Committee Does Not Have Authority to:

- Evaluate School Facilities Needs
- Determine When New Facilities are Needed
- Approve Construction Work
- Select Sites
- Determine Method of Financing
- Establish Policies & Regulations
- Determine or Approve Bond Program Implementation Plan
- Select Architects or Engineers
- Authorize Projects for Bid
- Award Contracts
- Approve Change Orders
- Accept Completed Projects

Required District Assistance

The District must provide administrative and technical assistance to the CBOC, including:

- Assistance for compliance with the Brown Act
- Assistance with the preparation of committee reports
- Making all documents and minutes available on the website
