Instructional Support Providers (TIPS)		Contract 9.10.2

\* = Funded only if no Instructional Coach

**Important Note:** All Stipend positions are limited to the numbers shown in the charts. NO OTHER STIPEND POSITIONS ARE ALLOWED EVEN IF PAID BY THE SITE. Any other position must be approved by the Superintendent in writing in advance.

Each position must be submitted on a Supplemental Contract. The contract must include: 1) a complete description of the duties and expectations for the position. This includes the number of complete events expected; 2) the proper budget coding. For athletics/sports positions, the contracts are due to Personnel with a list of coaches 45 days prior to the start of the season for Board Approval.

Individuals must serve the "Stipend Season" or complete the co-curricular assignment to receive the full amount indicated. Any single position may be "split" between two or more employees only if individual duties are specified and it is agreed to in advance in writing. For any stipend to be paid, the principal must submit a payment request form (Supplemental Contract Payment Authorization form) which certifies that the work has been completed, that the season is over and that all other obligations have been met (e.g.: uniforms have been turned in).
