

EMPLOYMENT OF PERSONNEL - STARTING DATES

All new hires for Cutler-Orosi Joint Unified School District should be advised that their employment is contingent upon Board approval, TB, and fingerprint clearance.

Both classified and certificated new hires may begin work before a Board meeting **but not before TB fingerprint clearance**. Their names will be placed on the Personnel List and submitted at the first Board meeting following the hire date. Safety training may also be required prior to the start of work at the site.

New hires in management positions must be approved by the Board prior to service being rendered.

NO NEW EMPLOYEE MAY START WORK UNTIL WRITTEN NOTIFICATION IS SENT BY THE PERSONNEL DEPARTMENT TO THE PRINCIPAL OR SUPERVISOR.
